

## Solar PV - 40 MW

- Constructed in record 129 days
- Will displace 70,000 metric tonnes of CO2 emissions per year –Equivalent of 2500 cars off the road
- 25 Years long term off-take agreement with Reliance Infra –Mumbai Distribution

## Solar CSP - 100 MW

- Concentrated Solar Power (CSP) Plant based on CFLR technology Plant
- Largest Solar CSP plant in the world
- 25 years Long term off-take agreement with NVVN (NTPC Subsidiary)
