

## **Independent Auditors' Report**

### **To the Members of Reliance Defence Systems Private Limited**

#### **Report on the Financial Statements**

#### **Opinion**

1. We have audited the financial statements of **Reliance Defence Systems Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020 and its profits, Statement of changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Other Information**

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in Director's report and shareholders information, but does not include the financial statements and our auditor's report thereon.
5. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Financial Statements**

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Report on Other Legal and Regulatory Requirements**

12. As required by the Companies (Auditor’s Report) Order, 2016 (“the Order”), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the “Annexure A” statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
13. As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
  - e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164(2) of the Act;
  - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”;

- g) With respect to the other matters to be included in the Auditors Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid any remuneration to any of its directors during the year. Hence, the requirement of the Company for compliance under this section is not applicable.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. There were no pending litigations which would impact the financial position of the Company.
  - ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2020.

**Annexure A to Auditors' Report**

**Referred to in our Auditors' Report of even date to the members of Reliance Defence Systems Private Limited on the financial statements for the year ended March 31, 2020**

---

- (i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of its fixed assets.  
  
(b) As informed to us, the fixed assets have been physically verified by the Management during the year and no material discrepancies between the book records and the physical inventory have been noticed.  
  
(c) The Company does not have any immovable properties, hence the reporting requirements under clause (i)(c) of paragraph 3 of the Order is not applicable.
- (ii) As explained to us, there is no physical inventory in existence and hence, paragraph 3(ii) of the Order is not applicable to the Company.
- (iii) The Company has not granted any loan, secured or unsecured, to any company, firm, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of Act. Accordingly, provisions of clause 3 (iii) (a), (b) and (c) of the Order are not applicable.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of Sections 73 to 76 or any other relevant provisions of the Act and rules framed there under.
- (vi) In our opinion and according to the information given to us, no cost records have been prescribed by the Central Government of India under sub-section (1) of Section 148 of the Act.
- (vii) (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales tax, goods and service tax, service tax, customs duty, excise duty, value added tax, cess and other material statutory dues as applicable, with the appropriate authorities.  
  
(b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, sales tax, goods and service tax, service tax, customs duty, excise duty, value added tax, cess and other material statutory dues as applicable were outstanding, at the year end, for a period of more than six months from the date they became payable.  
  
(c) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income-tax, sales-tax, service-tax, customs duty, excise duty and value added tax as at March 31, 2020 which have not been deposited on account of a dispute.

- (viii) During the year the Company has not availed loan from any financial institution or bank or debenture holders hence the reporting requirements under paragraph 3(viii) of the order is not applicable.
- (ix) During the year the Company has not raised money by way of initial public offer or further public offer (including debt instruments) and term loans hence the reporting requirements under paragraph 3(ix) of the Order is not applicable.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) The Company has not paid managerial remuneration during the year and hence, the reporting requirement under paragraph 3(xi) of the Order is not applicable.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with section 177 and section 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

## **Annexure - B to Auditor's report**

**[Annexure to the Independent Auditor's Report referred to in paragraph "13(f)" under the heading "Report on other legal and regulatory requirements" of our report of even date on the financial statements of Reliance Defence Systems Private Limited for year ended March 31, 2020.]**

---

### **Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of **Reliance Defence Systems Private Limited** ("the Company") as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, specified under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with respect to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

## **Meaning of Internal Financial Controls with reference to Financial Statements**

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

## **Inherent Limitations of Internal Financial Controls with reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2020, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

<b>Total Financial Assets</b>	<b>3,529.84</b>	<b>456.77</b>
<b>Financial Liabilities</b>		
<b>At Amortised Cost</b>		
Trade Payables	361.07	4,383.44
<b>At Fair value through profit &amp; loss</b>	-	-
<b>Total Financial Liabilities</b>	<b>361.07</b>	<b>4,383.44</b>

**b) Fair Value Hierarchy**

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

**Fair Value Hierarchy -Assets and liabilities which are measured at amortised cost for which fair values are disclosed**

	Rs. in Thousands	
	As at March 31, 2020	As at March 31, 2019
<b>Financial Assets</b>		
<b>Level 3</b>		
Security Deposits	300.00	338.44
Advance to Employees	15.48	25.26
Other Receivables From Related Party	3,196.50	-
Cash and Cash Equivalent	17.86	93.07
<b>Total financial assets</b>	<b>3,529.84</b>	<b>456.77</b>
<b>Financial Liabilities</b>		
<b>Level 3</b>		
Trade Payables	361.07	4,383.44
<b>Total Financial Liabilities</b>	<b>361.07</b>	<b>4,383.44</b>

**Recognised fair value measurements**

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes mutual funds that have quoted price. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

**Valuation technique used to determine fair value**

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

**Note 18: Financial Risk Management**

The Company's risk management is carried out by a treasury department (company treasury) under policies approved by board of directors. Treasury team identifies, evaluates and hedges financial risk in close co-operation with the company's operating units. The Management of the Company provides written principles for overall risk management, as well as policies covering specific areas, such as interest rate risk and credit risk, use of derivative financial instrument and non-derivative financial instrument, and investments of excess liquidity.

**(i) Credit Risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The Company is engaged in Defence Business. The Company does not have any significant exposure to credit risk.

**(ii) Cash and Cash Equivalents & Other Financial Asset**

The Company held cash and cash equivalents & other financial assets with credit worthy banks aggregating Rs. 17.86 Thousands and Rs. 93.07 Thousands as at March 31, 2020 and March 31, 2019 respectively. The credit worthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and is considered to be good.

**(iii) Market Risk**

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. The Company is not exposed to any significant currency risk and equity price risk.

**(a) Interest Rate Risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company is not exposed to any interest rate risk.

**Liquidity Risk - Table**

The table below analyses the Company's non-derivative financial liabilities into relevant maturity groupings based on the remaining year at the balance sheet date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows.

## **Reliance Defence Systems Private Limited**

### **Notes annexed to and forming part of the Financial Statements**

#### **Background of the Company**

The Company mission is to acquire capabilities and develop in-house expertise in Land based weapon platforms and systems, Air Combat vehicles, aircraft and avionics, Missiles, Unmanned systems and C4ISR systems, Surface & sub-surface ship building and development.

The Company is a private limited company incorporated and domiciled in India. The registered office of the Company is located at 502, Plot No. 91/94, Prabhat Colony, Santacruz (East), Mumbai - 400 055.

These financial statements of the Company for the year ended March 31, 2020 were authorised for issue by the board of directors on May 06, 2020. Pursuant to the provisions of section 130 of the Act the Central Government, income tax authorities and other statutory regulatory body and section 131 of the Act the board of directors of the Company have powers to amend / re-open the financial statements approved by the board / adopted by the members of the Company.

#### **1. Significant Accounting Policies:**

##### **a) Basis of Preparation, Measurement and Significant Accounting Policies**

###### **(i) Compliance with Indian Accounting Standards (Ind AS)**

The Financial statements of the Company comply in all material aspects with Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with relevant rules and other accounting principles. The policies set out below have been consistently applied during the years presented

###### **(ii) Basis of Preparation**

The financial statements have been prepared in accordance with the requirements of the information and disclosures mandated by Schedule III to the Act, applicable Ind AS, other applicable pronouncements and regulations

These financial statements are presented in 'Indian Rupees', which is also the Company's functional currency and all amounts, are rounded to the nearest Thousands with two decimals, unless otherwise stated.

###### **(iii) Basis of Measurement**

The Financial Statement have been prepared on the historical cost convention on accrual basis except for certain financial instrument that are measured at amortised cost at the end of each reporting period.

##### **b) Use of Estimates**

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgements and assumptions. The estimates, judgements and assumptions affect the application of accounting policies and reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities, at the date of financial statements and reported amounts of revenues and expenses during the period. Appropriate changes in estimates are made as the management becomes aware of the changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

##### **c) Current versus Non-current Classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- Held primarily for the purpose of trading

All other assets are classified as non-current.

## **Reliance Defence System Private Limited**

### **Notes annexed to and forming part of the Financial Statements**

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period
- Held primarily for the purpose of trading

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The company has identified twelve months as its operating cycle.

#### **d) Revenue Recognition Policy**

The Company recognises revenue when the amount of revenue can be reliably measured; it is probable that the economic benefits associated with the transaction will flow to the entity.

All the items of Income and Expense are recognized on accrual basis of accounting.

#### **e) Financial Instruments:**

##### **1. Financial Assets**

###### **I] Classification**

The Company shall classify financial assets measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

###### **II] Initial recognition and measurement**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of financial assets.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised costs.

###### **III] Subsequent Measurement**

For purpose of subsequent measurement financial assets are classified in two broad categories:

- (a) Financial assets at fair value or
- (b) Financial assets at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Where assets are measured at fair value, gains or loss are either recognised entirely in the statement of profit and loss (i.e. fair value through profit or loss) or recognised in other comprehensive income (i.e. fair value through other comprehensive income).

All other financial assets are measured at fair value through profit or loss.

###### **Equity instruments:**

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss.

## Reliance Defence System Private Limited

### Notes annexed to and forming part of the Financial Statements

Changes in the fair value of financial assets at fair value through profit or loss are recognised in Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

#### **Investments in Associates:**

The Company has accounted for its equity instruments in Associates at cost.

#### **IV] Impairment of Financial Assets**

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

#### **V] Derecognition of Financial Assets**

A financial asset is derecognised only when:

- Right to receive cash flow from assets have expired or
- The Company has transferred the rights to receive cash flows from the financial asset or
- It retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the received cash flows in full without material delay to a third party under a "pass through" arrangement

Where the entity has transferred an asset, the company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset

## **2. Financial Liabilities**

#### **I] Initial recognition and measurement**

All financial liabilities are recognised at fair value. The Company financial liabilities include Trade and other Payables, loans and borrowings

#### **II] Subsequent Measurement**

Financial liabilities at amortized cost: After initial measurement, such financial liabilities are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the Statement of Profit and Loss

##### **(i) Borrowings**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the statement of profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

## Reliance Defence System Private Limited

### Notes annexed to and forming part of the Financial Statements

#### (ii) Trade and Other Payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

#### III] Derecognition of Financial Liabilities

A Financial Liabilities is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from same lender on substantially different terms, or terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

#### f) Measurement of fair values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 -Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's Management determines the policies and procedures for recurring and non- recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

## **Reliance Defence System Private Limited**

### **Notes annexed to and forming part of the Financial Statements**

The management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Quantitative disclosures of fair value measurement & hierarchy (Refer Note No 17)

#### **g) Property, Plant and Equipment:**

Property, Plant and Equipment assets are carried at cost net of tax / duty credit availed less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the items.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Property, Plant and Equipment are eliminated from the financial statements, either on disposal or when retired from active use.

Gains and losses on disposals or retirement of assets are determined by comparing proceeds with carrying amount. These are recognized in the Statement of Profit and Loss.

#### **Depreciation method**

Property, Plant and Equipment have been depreciated under the straight line method as per the useful life and in the manner prescribed in Part "C" Schedule II to the Act.

#### **h) Impairment of non-financial assets**

Non-financial assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

#### **i) Provisions**

Provisions are recognised when the Company has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

#### **j) Contingent Liabilities and Contingent Assets**

Contingent liabilities are possible obligation that arise from past events and whose existence will only be confirmed by that occurrence or non occurrence of one or more future events not wholly within the control of the company.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as contingent liability, unless the probability of outflow of economic benefits is remote. Contingent liabilities are disclosed on the basis of judgement of the management/independent experts.

## Reliance Defence System Private Limited

### Notes annexed to and forming part of the Financial Statements

These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate. Contingent assets are neither recognised nor disclosed in the financial statements.

#### k) Cash and cash equivalent

Cash and cash equivalents in the Balance Sheet comprise of cash on hand, demand deposits with Banks, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

#### l) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### m) Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred.

#### n) Employee benefits

##### (i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

##### (ii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity; and
- (b) defined contribution plans such as provident fund, superannuation fund etc.

#### Defined Benefit Plans

##### (a) Gratuity obligations

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Re-measurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in other comprehensive income(OCI). Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the period. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in profit or loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs

## Reliance Defence System Private Limited

### Notes annexed to and forming part of the Financial Statements

#### **(b) Provident Fund**

The benefit involving employee established provident funds, which require interest shortfall to recompensated are to be considered as defined benefit plans.

#### **Defined Contribution plans**

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due. Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available. The Company makes annual contributions based on a specified percentage of each eligible employee's salary.

#### **(iii) Other long-term employee benefit obligations**

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

#### **o) Income tax**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the country where the company and its subsidiaries generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transition that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Income tax expense for the year comprises of current tax and deferred tax. Income tax is recognised in the Statement of Profit and Loss except to the extent that it relates to items recognised in 'Other comprehensive income' or directly in equity, in which case the tax is recognised in 'Other comprehensive income' or directly in equity, respectively.

**Reliance Defence System Private Limited**

**Notes annexed to and forming part of the Financial Statements**

**p) Earnings per Share**

Basic earnings per share are calculated by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

## Reliance Defence System Private Limited

### Notes annexed to and forming part of the Financial Statements

#### 21. Segment wise Revenue, Results and Capital Employed

The Company has not commenced its commercial operation hence; there are no separate reportable segments as required under Indian Accounting Standard 108 "Operating Segment" as prescribed under Section 133 of the Act.

#### 22. Related Party Disclosure

As per Indian Accounting Standard – 24 as prescribed under Section 133 of the Act, the Company's related parties and transactions are disclosed below:

##### (a) Parties where control exists:

- (i) Ultimate Holding Company - Reliance Infrastructure Limited
- (ii) Holding Company - Reliance Defence Limited

##### (b) Other related parties with whom transactions have taken place during the year:

- i. Associates - Reliance Naval and Engineering Limited
- ii. Person having significant influence over holding Company - Shri Anil Dhirubhai Ambani
- iii. Enterprises over which person described in (b)(ii) above has significant influence:-
  - (a) Reliance Communications Limited
  - (b) Reliance HR Services Private Limited
